

Remodelling Practice Learning

30th June 2020

Welcome

learning network
west

Agenda

- Welcome and introduction to trustees
- AGM business
- Remodelling Practice Learning
 - Group activity
 - Feedback
- Conclusions

3 Questions

- Thinking forward, what practice learning models do you think would provide appropriate learning opportunities for students on placement?
- Thinking about the role of the practice educator in supervision and assessment, what creative and innovative ways could this be approached?
- In what ways can practice learning teams be supported (student, practice educator, link worker, university tutor)?
